

DISA Acquisition Opportunities

2014 Forecast to Industry

United in Service to Our Nation

CAE Acquisition Opportunities

Project Title	RFP/Projected Award	Description/Contract
GCCS-J Program support	Base year and one 1 year option with total estimated value of \$5M	Current PoP ends 28 Nov 2014.
GCSS-J Lab Support		Current PoP ends 30 Dec 2014; base with 4 OY with total estimated value of \$5,500,619. SD&I - current PoP ends 28 Feb 2015; base with 3 OY with a total estimated value of \$70M.
CFE		Home Team Staff Support Systems Support FMSS System Support Staff Augmentation
IG		Audit Support
ICAE	RFP to be released 2QFY15; Award in 3QFY15	Program Office Support Services (POSS) Engineering and Testing Support Services (ETSS) PM Tools Support Future Business System (FAMIS-CS)
PLD		Source Selection Tool / Source Selection Training Support

CAE Acquisition Opportunities

Project Title	RFP/Projected Award	Description/Contract
GO		Information and Communication Technology (ICT) support of CENTCOM
NS		Global Network Services
NS		TPO Installation, Integration, Implementation, Logistics and CM Support
GCCS-J		Architecture and Modernization - anticipate new PoP beginning o/a 15 Jan 2015; Base year and three 1 year options with total estimated value of \$3M
Enterprise Unified Capabilities as a Service (UCaaS) BPA	Firm Fixed Price (FFP); Single Award; RFP 4th Qtr FY14; Award 2nd Q FY15	A pathfinder effort to explore Unified Cloud capabilities using existing commercial cloud services

EIS Acquisition Opportunities

Project Title	RFP/Projected Award	Description/Contract
NCES Service Oriented Architecture Framework (SOAF)	New award to replace two contracts- award 2QFY15	Enterprise infrastructure services to support messaging and data interoperability
Capacity Services Communications (CSC II)	Single award; IDIQ; RFP Release 4QFY15- award 3QFY16	Dynamic and scalable communication infrastructure capacity service.
Processor Capacity Services (PCS III)	Multiple award; IDIQ RFP Release 3QFY16- award 4QFY17	Dynamic and scalable processing services to run all application workloads.
IT Engineering Support Services	Single award; FFP; RFP Release 2QFY15- award 2QFY16	IT support services to provide comm and systems engineering optimization, consolidation and technical support.

EIS Acquisition Opportunities

Project Title	RFP/Projected Award	Description/Contract
DECC Montgomery Technical and Operations Support	Single award; FFP; RFP Released 2QFY15- award 2QFY16	Ensures the sustainability of mid-tier production, development and testing systems
DISA EIS Customer Management Executive Support	Single award; FFP; RFP Release 1QFY15- award 1QFY15	Services to provide financial and customer management expertise at multiple locations
Service Desk Agent Level 2 & 3 Augmentation	Single award; FFP; RFP Release 1QFY15- award 2QFY15	Technical support services augmenting service desks at DECC Mech
System & Database Technical Support	Single award; FFP; RFP Release 2QFY15- award 3QFY15	System, database and application support at DECC Ogden and other locations

EIS Acquisition Opportunities

Project Title	RFP/Projected Award	Description/Contract
Configuration Management Support	Single award; FFP; RFP Release 2QFY15- award 3QFY15	Engineering, project, configuration and change management support at multiple locations
DISA Oklahoma City Comms Network/Server Support	Single award; FFP; RFP Release 2QFY15- award 3QFY15	Communication network and server support at DECC OKC, and other customer locations
Unix Server Support	Single award; FFP; RFP Release 2QFY15- award 3QFY15	Maintain and enhance Unix server and related application support at DECC Mech
Program & Project Management Consulting Services	Single award; FFP; RFP Release 2QFY15- award 3QFY15	Development of business management processes at multiple locations

EIS Acquisition Opportunities

Project Title	RFP/Projected Award	Description/Contract
Service Integration & Delivery (SID) Support	Single award; FFP; RFP Release 3QFY15- award 4QFY15	SID for test and development, software, infrastructure, migration, and sustainment efforts at multiple locations
DoD Enterprise Email (DEE) & DoD Enterprise Portal Service (DEPS) Tech & Config Mgmt Support	Single award; FFP; RFP Release 4QFY15- award 2QFY16	Technical and configuration management support for design, test and implementation at multiple locations
DISA Ogden Operations and Technical Support	Single award; FFP; RFP Release 4QFY15- award 1QFY16	Sustainment of AMC legacy and Standard Depot Systems at DECC Ogden and St. Louis

EIS Acquisition Opportunities

Project Title	RFP/Projected Award	Description/Contract
Logistics Asset Maintenance & Warehouse Support	Single award; FFP; RFP Release 4QFY15- award 1QFY16	Operation of performance based logistics function for EIS at Chambersburg, PA
DECC St. Louis Operations and Technical Support	Single award; FFP; RFP Release 4QFY15- award 1QFY16	Multiple networks support at DECC St. Louis
Virtual Desktop Infrastructure (Architecture)	Single award; RFP Release 4QFY14- award 4QFY14	Requirements Validation Solution Architecture Design Testing , Validation, Accreditation

EIS Acquisition Opportunities

Project Title	RFP/Projected Award	Description/Contract
Virtual Desktop Infrastructure (Infrastructure: H/W-S/W)	Single award; RFP Release 3QFY15-award 3QFY15	Stateless Devices Mobility Devices Persona Management & VDI Broker solutions
Virtual Desktop Infrastructure (Integration & Implementation)	Single award; RFP Release 3QFY15-award 3QFY15	Integration, Accreditation & Implementation

DSO Acquisition Opportunities

Project Title	RFP/Projected Award	Description/Contract
GEMSIS Program Office Support	Single award; small business set-aside. RFQ to be released 4QFY14; Award in 1QFY15	Provide comprehensive programmatic and analytical support services for the acquisition and management of GEMSIS Program capabilities.
IT Services Support	Single award; small business set-aside. RFQ to be released 1QFY15; Award in 2QFY15	Provide robust IT operations and maintenance support for DSO classified and unclassified environments, including software life-cycle support for DSO applications.
Facilities Support	Single award; 8(a) set-aside. RFQ to be released 2QFY15; Award in 3QFY15	Provide facilities support services for the DSO Annapolis location including building management/maintenance, physical security and mail services.
GEMSIS Integrated Spectrum Desktop (ISD)	Single award; small business set-aside. RFQ to be released 4QFY15; Award in 1QFY16	Develop and deliver the ISD software and provide initial sustainment. Includes software design, development, integration, test, delivery, and initial sustainment.

DSO Acquisition Opportunities

Project Title	RFP/Projected Award	Description/Contract
Applied Engineering	Full and Open Competition. RFQ to be released 2QFY15; Award in 1QFY16	Provide Electromagnetic Environmental Effects (E3) and spectrum engineering support to DoD Components, Federal Agencies, and non-federal entities.
Operations, E3 Engineering, & Strategic Spectrum Planning	Full and Open Competition. RFQ to be released 3QFY15; Award in 2QFY16	Provide spectrum services and capabilities from short notice on-the-ground operational support to long range spectrum planning. Manage the DoD E3 Program, provide engineering support to policy makers and operational planners. Develop integrated national/international spectrum strategies & action plans.
Enterprise Services and Tools	Full and Open Competition. RFQ to be released 3QFY15; Award in 2QFY16	Provide information management, analytical capability development, software test, deployment and operations support for DSO automated systems and applications.
Applied Engineering	Full and Open Competition. RFQ to be released 2QFY15; Award in 1QFY16	Provide Electromagnetic Environmental Effects (E3) and spectrum engineering support to DoD Components, Federal Agencies, and non-federal entities.

MA Acquisition Opportunities

Project Title	RFP/Projected Award	Description/Contract
Joint Regional Security Stacks (JRSS)	Multiple awards, brand name or equal on NASA SEWP for equipment, multiple vehicles for services. RFQs to be released FY14-15; Awards in FY14-15.	Equipment and services in support of the implementation of the Joint Regional Security Stacks
MA Operations and Sustainment Support	Multiple award, small business set-aside, BPA. RFQ released 8 July 2014; Award in 4QFY15.	Operations & sustainment support services for training, help desk, engineering, implementation & deployment, and subject matter expertise for all Mission Assurance program areas.
Domain Name System (DNS) Hardening Support	Single award; market research to determine strategy. RFP to be released 4QFY14; Award in 2QFY15.	DNS engineering, integration, technical and operational support services to secure the DoDIN from external vulnerabilities. Services include network and security engineering and program management support.

MA Acquisition Opportunities

Project Title	RFP/Projected Award	Description/Contract
Acropolis and Sensor Operations	Single award, Encore II, full and open. RFP released 23 July 2014; Award in 3QFY15.	Support for operating and maintaining the Acropolis, the DODIN Computer Network Defense (CND) sensor infrastructure supporting the JIE, and sensors within the Joint Information Environment Single Security Architecture (JIE-SSA)
Web Content Filtering (WCF) Support	Single award; market research to determine strategy. RFP to be released 4QFY14; Award in 2QFY15.	Engineering and sustainment support services, planned capability enhancements, and technology upgrades for the current WCF system
Integrated Resource Information System (IRIS) Support	Single award; small business set-aside, GSA IT 70. RFP to be released 4QFY14; Award in 2QFY15.	Sustainment and maintenance, enhancements, and optional user base expansion of the IRIS application that is used for developing budgets, funds expenditure, contract management, and reporting.

MA Acquisition Opportunities

Project Title	RFP/Projected Award	Description/Contract
Enterprise Mission Assurance Support Service (eMASS)	Single award; market research to determine strategy. RFP to be released 2QFY15; Award in 1QFY16.	Support for sustaining and enhancing the eMASS capability. Support services include deployment and implementation, helpdesk, C&A, and custom software development.
MA Software Development Support	Multiple award, small business set-aside, BPA. RFQ released 5 May 2014; Award in 2QFY15.	Software development support for the Mission Assurance directorate to include: software design and development, Tier III support, and product subject matter expertise
Secure Configuration Management (SCM)	Single award; small business set-aside, GSA IT 70. RFP to be released 4QFY14; Award in 2QFY15.	Support, sustainment and enhancement of existing SCM capabilities, implementation of new features, updates and improvements, and potential redesign of current SCM capabilities.
DMZ Engineering Support	Single award; market research to determine strategy. RFP to be released 1QFY15; Award in 3QFY15.	DMZ Tier III engineering support

MA Acquisition Opportunities

Project Title	RFP/Projected Award	Description/Contract
Cross Domain Enterprise Services (CDES) Testing and C&A	Single award; market research to determine strategy. RFP to be released 2QFY15; Award in 4QFY15.	C&A support, and security, performance and functional testing for the CDES.
CDES Planning & PM Support	Single award; market research to determine strategy. RFP to be released 2QFY15; Award in 4QFY15.	Planning, customer management, program management, development, engineering, and integration support for the CDES.
Cyber Situational Awareness Analytic Cloud (CSAAC)	Multiple awards; market research to determine strategy. RFPs and awards to occur throughout FY15.	Technical, engineering and integration support for design, development, enhancement, integration, deployment and sustainment of a host of CSAAC capabilities.

MA Acquisition Opportunities

Project Title	RFP/Projected Award	Description/Contract
HBSS Next Generation	Single award; market research to determine strategy. RFP to be released TBD; Award TBD.	Licensing support for future DoD enterprise wide host security capabilities, and support for transition from the legacy capability.
DISA IV&V Support	Multiple award, small business set-aside, BPA. RFQ to be released 4QFY14; Award in 4QFY15.	IV&V support for DISA development efforts.
Risk Management / Information Assurance Support Services	Single award; Encore II; full and open. RFQ to be released 4QFY14; Award in 2QFY15.	Support for security and risk assessments of DISA information systems.

External Acquisition Opportunities

Project Title	RFP/Projected Award	Description/Contract
IT Sustainment and Technical Support Services	Market research pending; Final RFP to be released 4QFY14; Award in Q3FY15	Provide sustainment, support and operational services for equipment, servers, workstations, network devices, exploitation equipment, and related support necessary for effective operations of distributed systems for USAFCENT
Contingency Business Environment Operational Sustainment Support Services	Single award; small business set-aside, GSA Schedule. RFQ to be released 4QFY14; Award in 1QFY15	Provide post-deployment support for suite of Contingency Business Environment Tools for DLA
ENCORE III	Acquisition Strategy pending, anticipate multiple award full and open, and small business set-aside; Sources Sought: Aug 14; Draft RFP: 2QFY15; RFP 3QFY15.	IT solutions for activities throughout all operating levels of all customer organizations in support of all functional requirements including Command and Control, Intelligence, and Mission support areas, and to all elements of the GIG
Commissary Advanced Resale Transaction System Replacement/ Modernization (CARTS R/M)	Single award; full and open competition. RFQ to be released 2QFY15; Award in 1QFY16	Point of Sale (POS) hardware, help desk, consulting services, and sustainment of legacy POS software/hardware until the CARTS solution is replaced with the new CARTS R/M hardware and software for DeCA
