DISA Director's Priorities

1) READINESS
Be trained and confident in your job and postured to execute as a team.

2) CAMPAIGNING
Understand the mission – Leverage resources, teams and capabilities to deliver functionality and relevant effects to the Warfighter.

3) CONTINUOUS MODERNIZATION
Leave legacy behind – Embrace innovation and continually evaluate how we shape the cyber terrain to our advantage.

4) ESTABLISH LETHALITY
Don't wait for the enemy – Develop, build and deploy capabilities that will keep us ahead of the threat.

DISA: We make IT happen.
