

ENCORE III

D I R E C T O R Y

DISA'S FLAGSHIP IT CONTRACT

ENCORE III provides the DoD and federal agencies a full spectrum of IT services and solutions ranging from engineering development to full sustainment under two suites of multiple award indefinite delivery/indefinite quantity contracts valued at \$17.5B supporting a 10-year ordering period.

There is a broad IT scope and breadth of vetted experience, streamlined processing and aggressive lead times, and confidence associated with receipt of competitive proposals from recognized industry leaders. Further, ENCORE III has remained a steadfast leader taking initiative in ensuring competitive costs and high level experience qualifications.

With a total of 20 contractors in each Suite (Full & Open and Small Business), ENCORE III offers a vetted ability to provide requiring agencies with a significant breadth and depth of commodity IT services, experience, and capability.
