c. Describe the purpose of this DoD information system or electronic collection and describe the types of personal information about individuals collected in the system.

DMUC is an enterprise service offering providing Mobile Capabilities and Mobile Device Management service for the DoD Enterprise and Mission Partners through NIPRNet. DMUC hosts third-party apps that may be used by mission partners to process, handle, and store PHI/PII data. Any apps processing/handling PHI/PII will automatically be considered a managed app. The handling and storage of PHI/PII within these third-party apps is not considered DMUC infrastructure and not in scope of this PIA.

The information collected that qualifies as PII is the user's Name(s), DoD ID, Work Email Address, Rank/Grade/Position Title, Official Duty Telephone Phone, Official Duty Address, Home/cell Phone, Employment Information.

d. Why is the PII collected and/or what is the intended use of the PII? (e.g., verification, identification, authentication, data matching, mission-related use, administrative use)

DMUC uses the PII to authenticate and identify the users accessing enterprise applications.

e. Do individuals have the opportunity to object to the collection of their PII? Yes No

(1) If "Yes," describe the method by which individuals can object to the collection of PII.

(2) If "No," state the reason why individuals cannot object to the collection of PII.

The information collected is needed to authenticate and identify the users accessing the enterprise applications. Since DMUC only hosts services, the company using DMUC services must have their users accept the terms of the DMUC End User Agreement before services are granted.

f. Do individuals have the opportunity to consent to the specific uses of their PII? Yes No

(1) If "Yes," describe the method by which individuals can give or withhold their consent.

(2) If "No," state the reason why individuals cannot give or withhold their consent.

The information collected is needed to authenticate and identify the users accessing the enterprise applications. Users must accept the terms of the DMUC EULA before services are granted.

g. When an individual is asked to provide PII, a Privacy Act Statement (PAS) and/or a Privacy Advisory must be provided. (Check as appropriate and provide the actual wording.)

- Privacy Act Statement Privacy Advisory Not Applicable

Authority - Executive Order 10450, and Public Law 99-474, the Computer Fraud and Abuse Act.

requesting access to Department of Defense (DoD) systems and information. NOTE: Records may be maintained in both electronic and/or paper form.

Routine Uses - None

Disclosures - Disclosure of this information is voluntary; however, failure to provide the requested information may impede, delay or prevent further processing of this request.

k. Does this DoD Information system or electronic collection require a Privacy Act System of Records Notice (SORN)?

A Privacy Act SORN is required if the information system or electronic collection contains information about U.S. citizens or lawful permanent U.S. residents that is retrieved by name or other unique identifier. PIA and Privacy Act SORN information must be consistent.

Yes No

If "Yes," enter SORN System Identifier K890.14

SORN Identifier, not the Federal Register (FR) Citation. Consult the DoD Component Privacy Office for additional information or <http://dpcltd.defense.gov/Privacy/SORNs/>
or

If a SORN has not yet been published in the Federal Register, enter date of submission for approval to Defense Privacy, Civil Liberties, and Transparency Division (DPCLTD). Consult the DoD Component Privacy Office for this date

If "No," explain why the SORN is not required in accordance with DoD Regulation 5400.11-R: Department of Defense Privacy Program.

I. What is the National Archives and Records Administration (NARA) approved, pending or general records schedule (GRS) disposition authority for the system or for the records maintained in the system?

- (1) NARA Job Number or General Records Schedule Authority. GRS 3.2 #62 (N1-GRS-07-3, item 13b)

- (2) If pending, provide the date the SF-115 was submitted to NARA.

- (3) Retention Instructions.

Temporary. Destroy/delete when 7 years 6 months to 20 years 6 months old, based on the maximum level of operation of the appropriate CA and after the information record the PKI is designed to protect and/or access is destroyed according to an authorized schedule, or in the case of permanent records, when the record is transferred to NARA legal custody. Longer retention is authorized if the agency determines that transaction-specific PKI records are needed for a longer period.

m. What is the authority to collect information? A Federal law or Executive Order must authorize the collection and maintenance of a system of records. For PII not collected or maintained in a system of records, the collection or maintenance of the PII must be necessary to discharge the requirements of a statute or Executive Order.

- (1) If this system has a Privacy Act SORN, the authorities in this PIA and the existing Privacy Act SORN should be similar.
- (2) If a SORN does not apply, cite the authority for this DoD information system or electronic collection to collect, use, maintain and/or disseminate PII. (If multiple authorities are cited, provide all that apply).
 - (a) Cite the specific provisions of the statute and/or EO that authorizes the operation of the system and the collection of PII.
 - (b) If direct statutory authority or an Executive Order does not exist, indirect statutory authority may be cited if the authority requires the operation or administration of a program, the execution of which will require the collection and maintenance of a system of records.
 - (c) If direct or indirect authority does not exist, DoD Components can use their general statutory grants of authority ("internal housekeeping") as the primary authority. The requirement, directive, or instruction implementing the statute within the DoD Component must be identified.

The following authority allows DoD Mobility Unclassified Capability (DMUC) collect the data:

- 10 U.S.C. Chapter 8, Defense Agencies and Department of Defense Field Activities
