Enterprise Wide Services

Mr. Neil Mazuranic

Chief Enterprise Wide Services Development
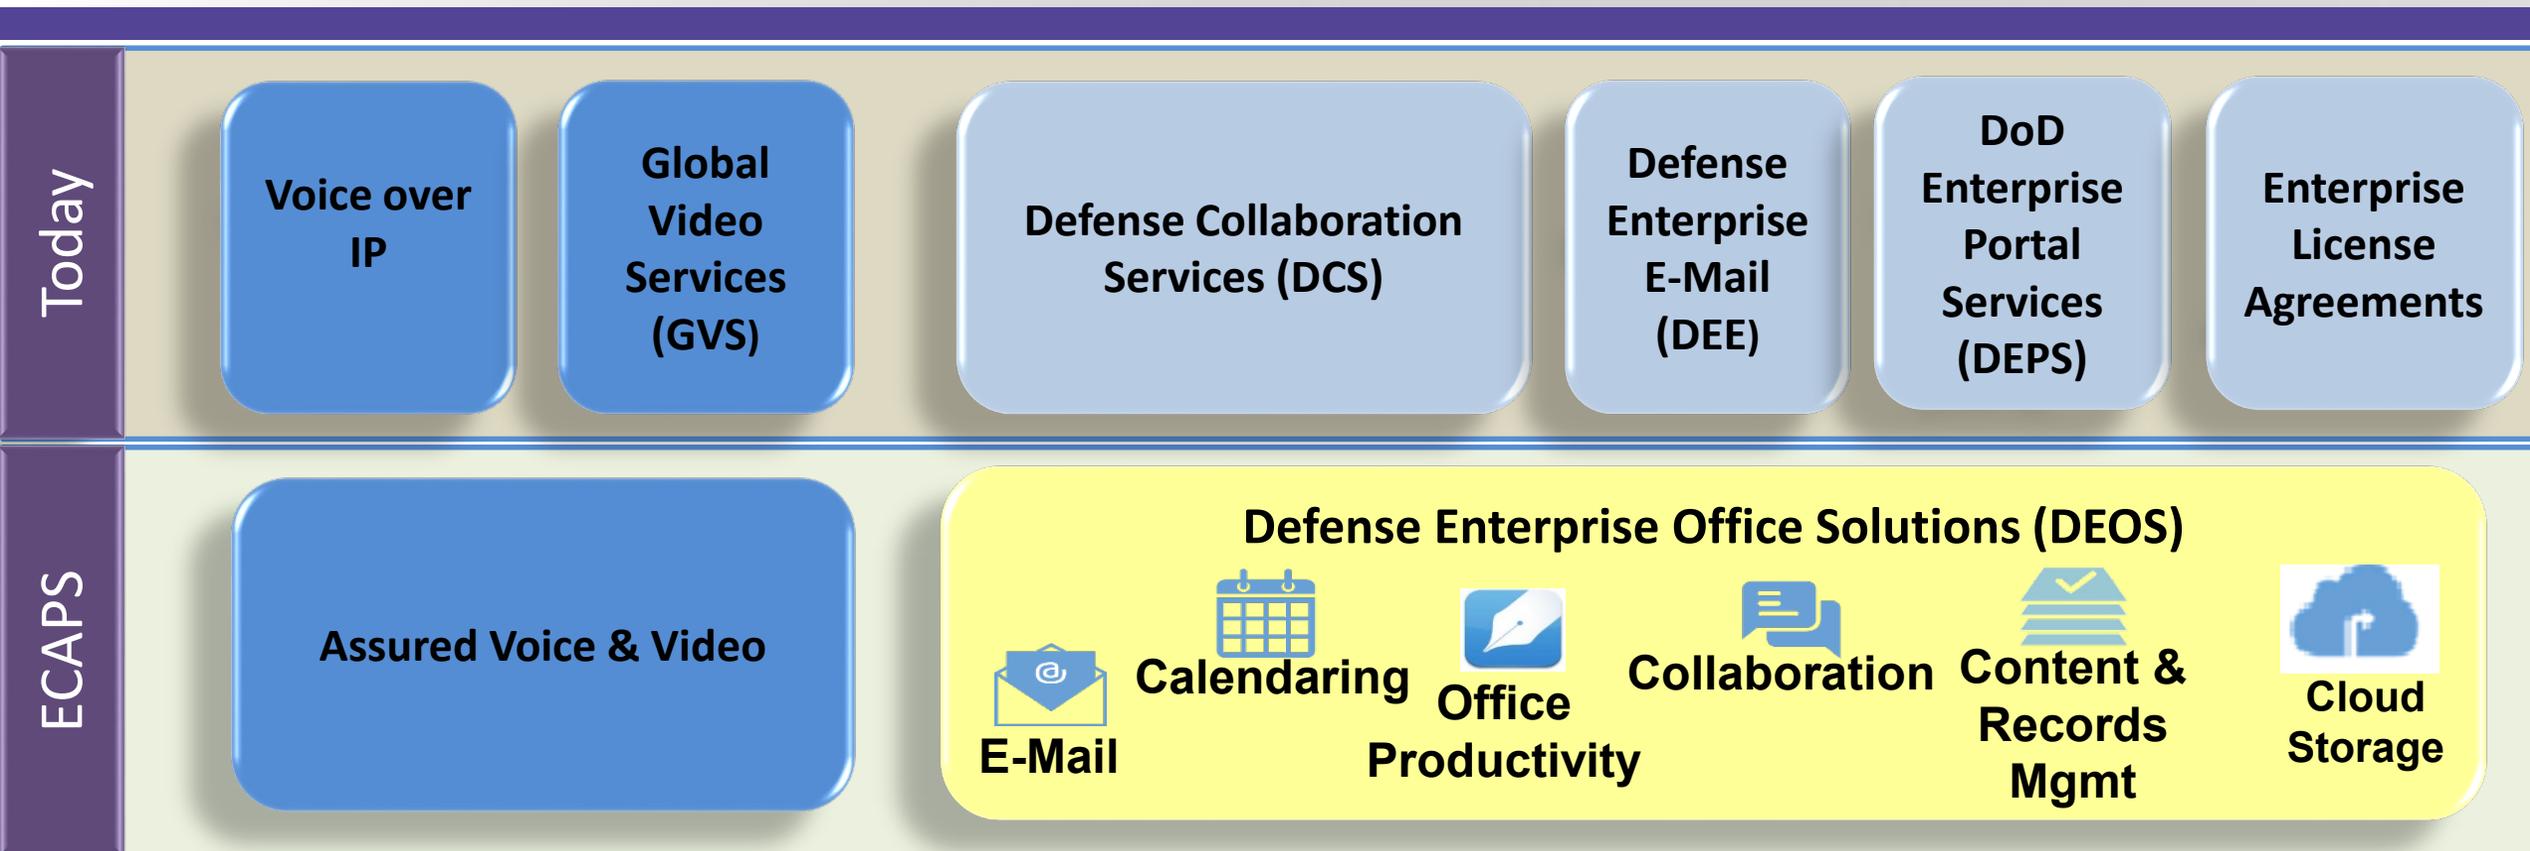

4 November 2019

DISA, Mission Partners and Industry Joint Efforts Support the Warfighter

- **The goal of the Enterprise-wide Services Development Division is to provide leading edge collaboration and development capabilities to warfighters anytime, anyplace.**

- **Specific programs include:**
  - Defense Enterprise Office Solutions (DEOS)
  - Global Video Services (GVS)
  - Defense Collaboration Services (DCS)
  - DevSecOps
  - Mobility Enablement Prototype (MEP)

- **This goal can only be achieved by closely partnering with our DoD mission partners and with the in-depth expertise industry brings to this capability set.**

Cloud Storage

- **DEOS is a GSA procurement using a single-award BPA against GSA Schedule 70 supporting the entire DoD**
  - Using GSA supports broader Federal goals for cloud-based Collaboration and Productivity
  - DoD Services and Agencies will work directly with GSA to award their own task orders for migration to DEOS
