DISA, Mission Partners and Industry Joint Efforts Support the Warfighter

- **FE's efforts drive cost efficiencies and modernization of DoD services and infrastructure across the Fourth(4th) Estate (4E)**
- **IT cost savings are realigned to support critical Warfighter needs through the Department**
- **Industry partnerships help FE provide common use IT services and capabilities to Mission Partners while driving down IT operations costs**
 - **Standardization of services, technology, and operations are the catalysts to cost efficiencies**
 - **Securing 4E common use IT from a single operational methodology ensures readiness to cyber threats**

FE is dependent upon industry to innovate and standardize common use IT operations in order to capture cost savings
