

U.S. General Services Administration

Defense Information Systems Agency
A Combat Support Agency

Future Commercial Satellite Communications (COMSATCOM) Services Acquisition (FCSA)

Subscription Services

Preexisting, pre-engineered **Fixed Satellite Service (FSS)** or **Mobile Satellite Service (MSS)** solutions using blanket purchase agreements (BPAs), including terminals tied to a service, in any commercial frequency band via **General Services Administration (GSA) IT Schedule 70 SIN 132-55**

SIN 132-55 Features

- Customer Funding Method: Military Interdepartmental Purchase Request (MIPR) or Program Designator Code (PDC)
- Provides shared or dedicated satellite resources, ancillary terrestrial components, and contractor-specified networks and equipment, in any available COMSATCOM frequency band, including, but not limited to, L-, S-, C-, X-, Ku-, extended Ku, Ka-, and UHF
- Utilizes contractor-determined waveforms and are billed on a per-use basis
- Rates include the network management, monitoring, engineering, integration, and operations required to deliver the services
- May include equipment as part of the Subscription Services
- Includes leasing dedicated channels using the service provider's waveform and technology, with guaranteed capacity and Quality of Service
- Includes on demand/occasional use solutions

- Includes but are not limited to: satellite-based Internet, voice, data, and video services; Emergency Response/Disaster Recovery voice and data networks; worldwide digital transmission to connect mobile terminals to terrestrial networks; connectivity to the Internet via satellite, whereby satellite communications service is delivered through portable satellite IP modems; and other pre-existing, pre-engineered FSS/MSS or hybrid solutions
- NOTE: Equipment is available for purchase under SIN 132-8 or 132-9 or for lease under SIN 132-3 or short term rental under 132-4.

The Fixed Satellite Services and Mobile Satellite Services Customer Ordering Guides for DoD customers are available at <http://disa.mil/Services/SATCOM/Comsatcom-Services>.
