Acquisition Solutions

in Support of the Provisioning of Capabilities

- **Government Provided:**
Piece parts, commodities, etc. procured and integrated
Industry provides expertise
- **Managed Service:**
Industry provides total solution
- **Market Research on both industry members and acquisition alternatives is a key factor on deciding the most appropriate solution.**

Must deal with an elevated need to meet the Information Assurance and Situational Awareness Requirements of DoD

Our Contracting Philosophy

Adopt Before Contracting

T&M, a method of the past

Competition is imperative

Accountability is the order of the day

Summary

**DISA has many opportunities
to improve our support for the warfighter**

**Virtually every one
involves some form of contract support**

We can't be successful without industry!
