

Defense Information Systems Agency

A Combat Support Agency

Forecast to Industry PEO C2C

Mr. Martin Gross
Program Executive Officer
July 2010

PEO C2C Portfolio

Global Combat Support System - Joint (GCSS-J)

DoD's joint logistics C2 system of record, providing COCOMs and Joint Task Force Commanders with critical logistics information and in-transit visibility to support warfighting operations. Migrating to a loosely coupled service oriented architecture to facilitate interoperability, improved performance, and ease of upgrades.

Multinational Information Sharing (MNIS)

A portfolio of efforts to improve interoperability and information sharing with coalition partners. Provides standard community of interest services and applications to facilitate collaboration among DoD components and foreign nations.

Global Command and Control System – Joint (GCCS-J)

DoD's premier joint command and control system of record, providing the joint warfighter with an integrated picture of the battlespace supporting all stages of military operations.

Joint Planning and Execution Services (JPES)

[formerly Adaptive Planning & Execution (APEX)]

DoD's system that supports the policies, processes, procedures, reporting structures needed to plan, execute, mobilize, deploy, employ, sustain, redeploy, and demobilize activities associated with joint operations in order to change the overarching process and transform the way we plan and execute joint operations.

On the Horizon for PEO C2C (PM & SE&I Support)

Contract/Task/Area of Support	Projected Contract Vehicle/Acquisition Methodology	Anticipated Start Date
FY11		
Systems Engineering Task Order(s)	Systems Engineering and Integration IDIQ/ Follow-On or Full and Open	1QFY11
Systems Engineering & Architecture Support for Joint C2	GSA Schedule / Full & Open	2QFY11
SW Licenses	GSA Schedule / Follow-On or Full & Open	2QFY11
SW Maintenance	GSA Schedule / Follow-On or Full & Open	2QFY11

Global Combat Support System – Joint (GCSS-J) Overview

Joint Logistic Environment:

Visibility of logistics processes, resources, and requirements

❖ Where is it? ❖ How will it get here? ❖ When will it get here?

- Provide real time, web-based information systems, offering accurate, actionable visibility of a common relevant operational picture
- Link operator and logistician across joint forces, services, and support agencies
- Leverage existing technology, products, procedures, & integration strategies
- Migrate from web-enabled logistics to net-centric, collaborative logistics planning & execution

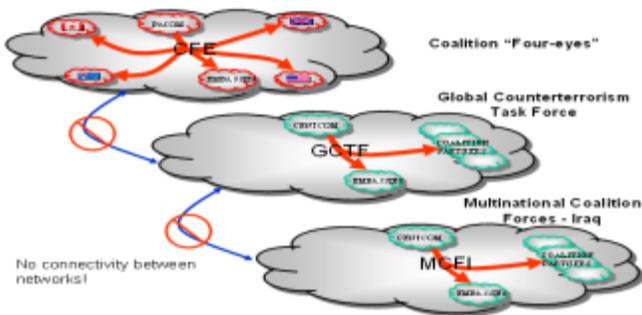

GCSS-J Optimizes Operations with Joint Logistics Capabilities

On the Horizon for GCSS-J

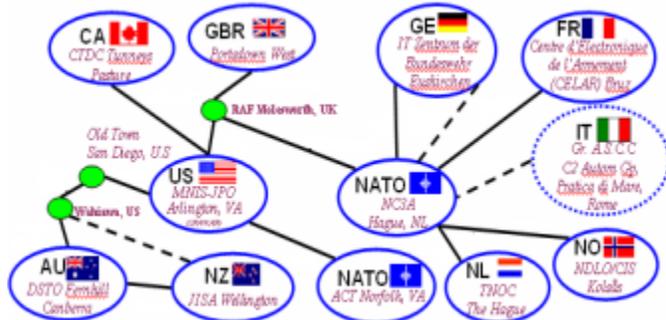

Contract/Task/Area of Support	Projected Contract Vehicle/Acquisition Methodology	Anticipated Start Date
FY11		
HW/SW Dev & Prod Equip Purchase	Full and Open	TBD

Multinational Information Sharing (MNIS)

Combined Enterprise Regional Information Exchange System (CENTRIXS) – Operational/Secret Releasable (REL)

Allows US and coalition nations and their forces to securely share operational/intelligence information in Communities of Interest Networks

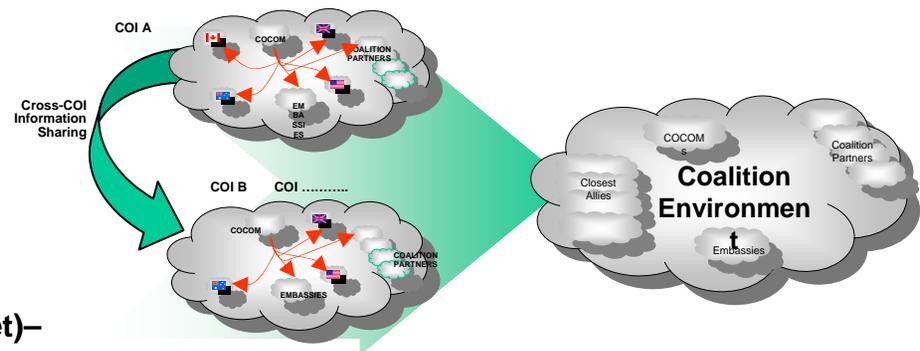

Combined Federated Battle Laboratories Network (CFBLNet)– Multinational Research & Development Environment/Secret REL & Unclassified

Evaluates shortfalls in Multination information sharing capabilities by providing continuously available network infrastructure to test the latest technologies for easier transitions into a coalition network environment

Griffin – Operational/Secret REL

Provides the means for disseminating classified information between participating nations (US, UK, CAN, AUS, NZ) from national classified and Command and Control (C2) systems

CENTRIXS Cross Enclave Requirement (CCER)

Converge the multiple SECRET coalition networks to a common coalition, single network environment and infrastructure architecture

On the Horizon for MNIS

Contract/Task/Area of Support	Projected Contract Vehicle/Acquisition Methodology	Anticipated Start Date
FY11		
Acquisition & Management Support	Small & Disadvantaged Business Set-Aside	1Q FY11
Combined Federated Battle Lab Network (CFBLNet) Support	Encore II	3Q FY11
CCER Phase II – Technology Solution	TBD	3Q FY11

Global Command & Control System – Joint (GCCCS-J)

GCCCS-J is DoD's Joint C2 System that provides interoperable, secure information to the decision maker at the Combatant Commands

On the Horizon for GCCS-J

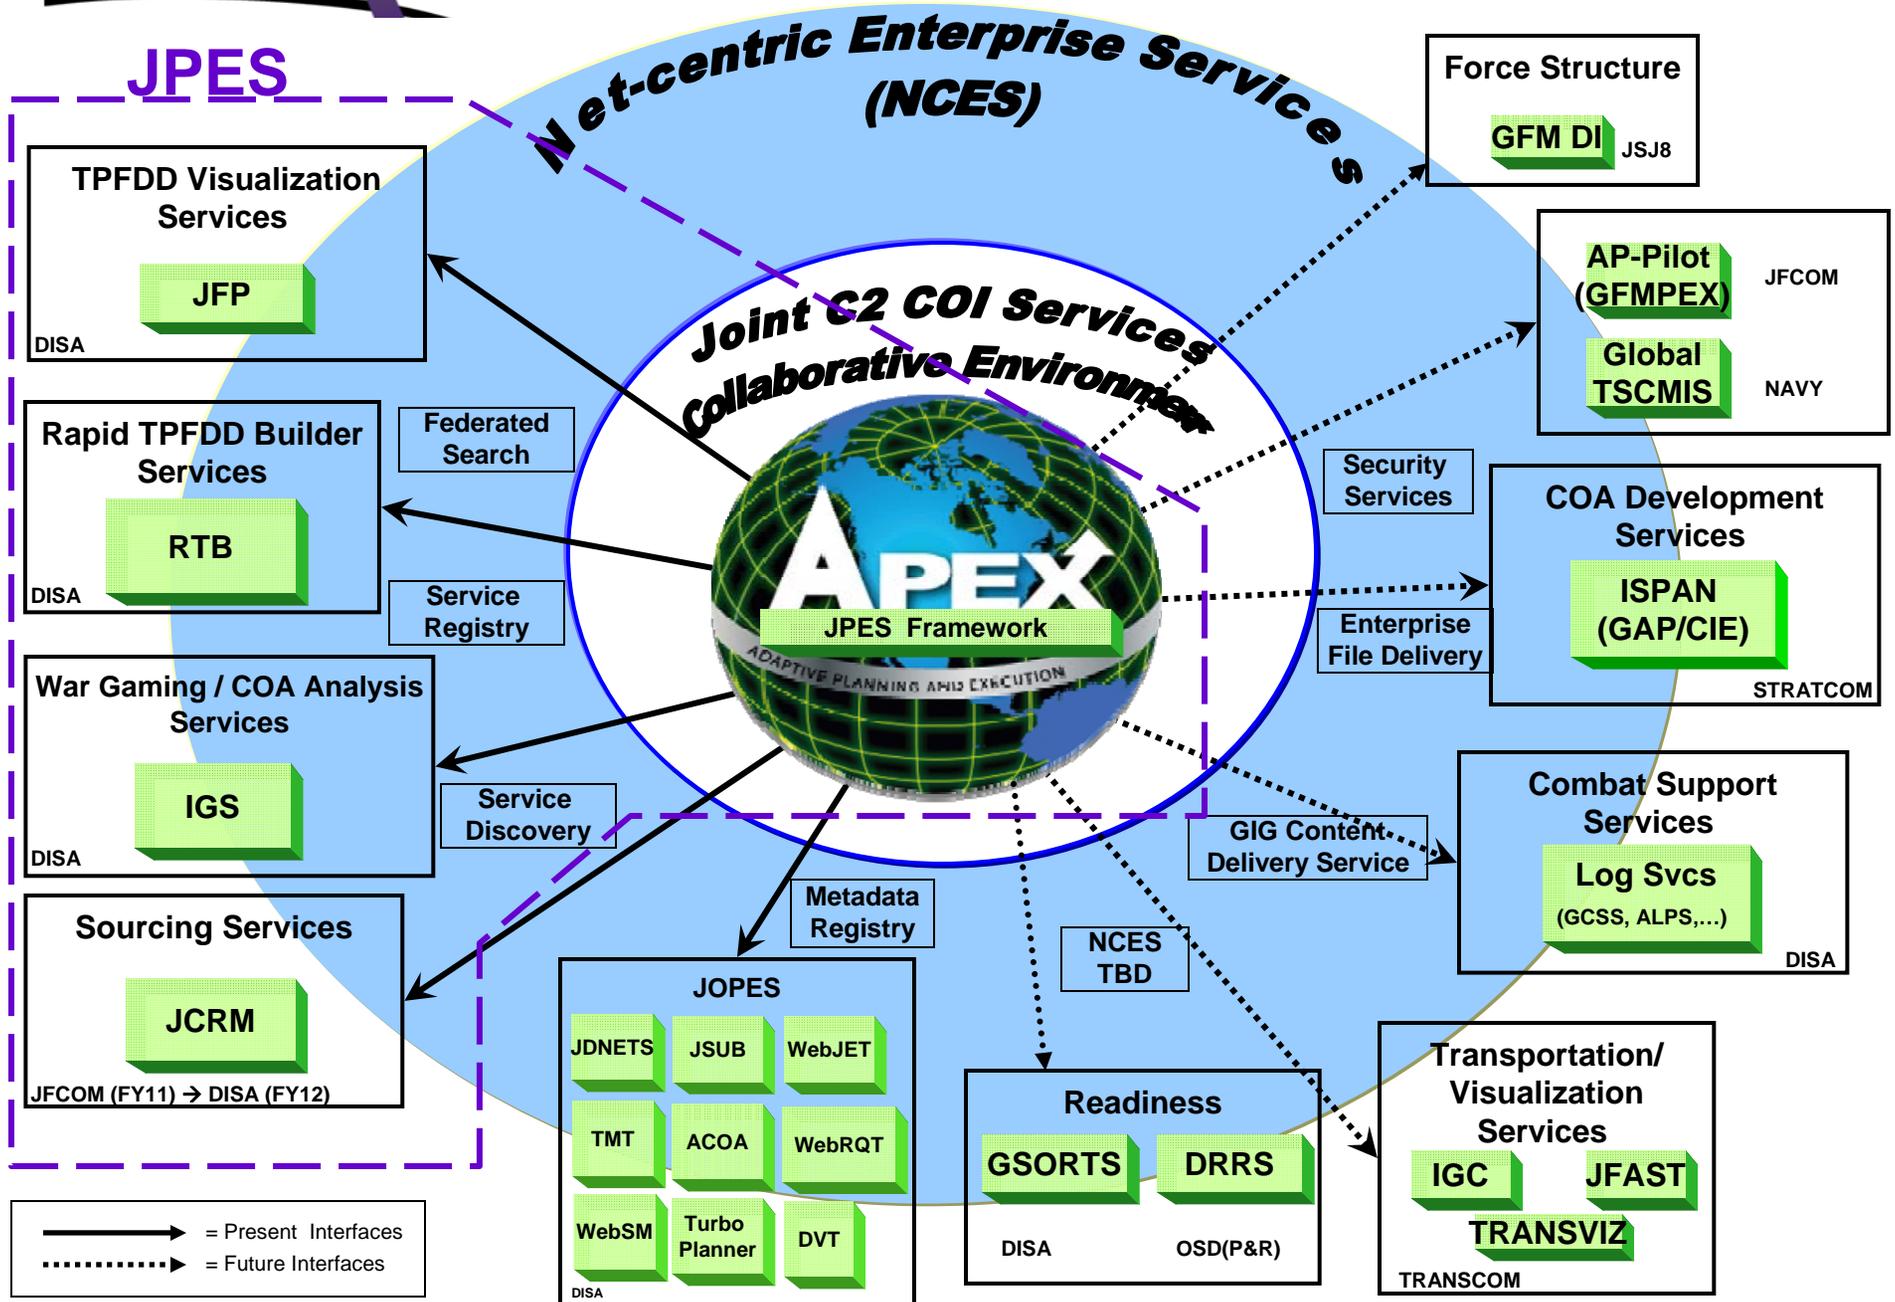

Contract/Task/Area of Support	Projected Contract Vehicle/Acquisition Methodology	Anticipated Start Date
FY11 and FY12		
Cost Analysis & Budgeting	8(a)	4QFY11 and 4QFY12
Program Acquisition Support Services	8(a)	3QFY11 and 3QFY12
SUN Professional/Solaris Support	8(a) SUN SEWP	2QFY11 and 2QFY12
Systems Engineering Development, Integration Support	ENCORE II	4QFY11 and 4QFY12
Systems Security Engineering Support	ENCORE II	4QFY11 and 4QFY12
JOPE SW Migration & Database Combined	ENCORE II	4QFY11 and 4QFY12
Joint Common User Interface	ENCORE II	4QFY11 and 4QFY12
COP Development/Sustainment	ENCORE II	4QFY11 and 4QFY12
I3 IPA/Contract Management Support	MITTS II	4QFY11 and 4QFY12
I3 Engineering Services & SW Development Support	ENCORE II	4QFY10 and 4QFY11
GCCS-J I3 Overseas Contingency Operations Support	ENCORE II	4QFY10 and 4QFY11
Deployment & Sustainment	ENCORE II	4QFY11 and 4QFY12
BEA Weblogic	TBD	1QFY11 and 1QFY12
Gemstone Maintenance	GSA Schedule ebuy	2QFY11 and 2QFY12

GCCS-J (cont'd)

Contract/Task/Area of Support	Projected Contract Vehicle/Acquisition Methodology	Anticipated Start Date
Securify (local maintenance)	GSA Schedule ebuy	4QFY11 and 4QFY12
NGA Map Appliances Maintenance	GSA Schedule ebuy	4QFY11 and 4QFY12
Jabber Maintenance/Support	GSA Schedule ebuy	4QFY11 and 4QFY12
HP SOA Registry (Systinet)	GSA Schedule ebuy	1QFY11 and 1QFY12
MyEclipse Licenses	GSA Schedule ebuy	4QFY11 and 4QFY12
Sun Java Software Maintenance	GSA Schedule ebuy	1QFY11 and 1QFY12
SUN Directory Server Enterprise Edition	GSA Schedule ebuy	4QFY11 and 4QFY12
Sun Secure Global Desktop Maintenance	GSA Schedule ebuy	4QFY11 and 4QFY12
Mercury Software Maintenance	GSA Schedule ebuy	1QFY11 and 1QFY12
Oracle Software Maintenance	GSA Schedule ebuy	1QFY11 and 1QFY12
Teamquest Maintenance/Support	GSA Schedule ebuy	4QFY11 and 4QFY12
Servers	GSA Schedule Competition	TBD
Equipment Purchase/Renew	GSA Schedule Competition	TBD

DISA JPES Net-Centric Environment

On the Horizon for JPES

Contract/Task/Area of Support	Projected Contract Vehicle/Acquisition Methodology	Anticipated Start Date
FY11		
Integrated Gaming System (IGS)	ENCORE II	1 QFY11
Joint Force Projection (JFP)	ENCORE II	3 QFY11
System Engineering (SE)	ENCORE II	2 QFY11
